

Prime Areas

To help your child settle into school life we will be focusing on the 3 prime areas of the EYFS:

Communication & Language,
Physical Development and Personal,
Social & Emotional Development.

Focusing on these areas will help your child to grow in confidence, build resilience and develop their social skills.

The children will also start to develop the skills needed for writing through lots of fine motor activities such as dough disco!

Welcome to Reception

We would like to say a big hello to all our Reception families. We hope that you and your child enjoy your new school adventure! If you have any question please don't hesitate to ask Miss Simpson or Mrs Hiddleston and Mrs Gordon.
